

Lights of Lobethal

NEW community workshop

FUN and FREE!

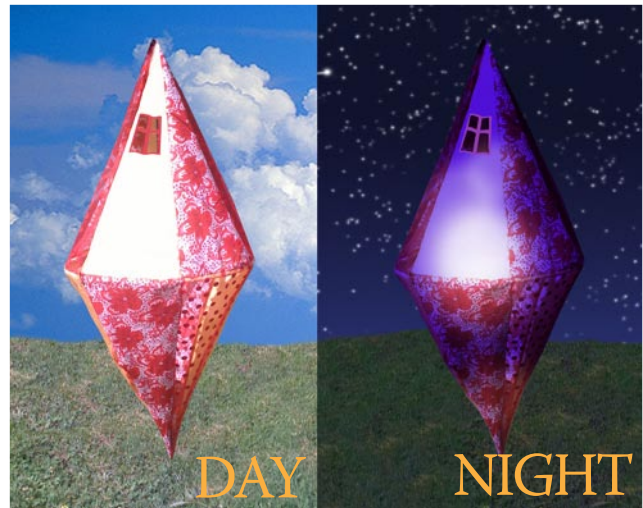

~If you enjoy colour, sewing or craft you'll love it!~

In the workshop you will make a

PATCHWORK LANTERN,

to be installed on the Main street of
Lobethal, in the SOLAR GROVE.

You'll learn new 3-D craft techniques, and skills you can also use to make something unique for your own home! The Lantern looks fabulous Day or Night and uses energy efficient LEDs.

Where: Centennial Hall Meeting Room (Rear of Hall)

When: Sat 5 Dec 10-1 & 3-6, Sun 6 Dec 3-6

Who: Anyone old enough to use sharp scissors safely and who likes to be creative with colour or textiles!

What to bring: You don't need to bring anything

but these things are welcome options: Favourite scissors, sewing needles, sewing machine or overlocker, translucent fabrics (cloud chiffon, crystal organza, tissue lame, patterned tulle are all terrific). Buttons or bits and bobs to add on are welcome. Main colour themes are red, gold, yellow, cream, feel free to experiment.
